

Friday 30th September 2022

Dear Parents/Carers,

YORKSHIRE WILDLIFE PARK: Your children were a credit to the school during our visits this week; they were well behaved throughout the day, they were polite and sensible, and because of this everyone had a great day out. I hope you had lots of positive feedback from them.

FRIENDS OF TIBSHELF SCHOOLS: We are hoping to move towards a combined Friends group raising funds across the two Tibshelf Schools, instead of as two separate groups. A meeting has been arranged for Thursday 6th October, 9am at Town End Junior School, for anyone who would like to be a part of this group either as an active member or as someone who can support with event preparation but not actually attend these events or meetings. If you can't attend, but are interested in being part of the group please let me, Jessica Gilbody (Mum of Isabelle, Freddie & Daisy Gilbody) or Rebecca Jones (Mum of Samuel & Alyssa Jones) know. Tea, coffee and biscuits will be provided. Look forward to seeing you there.

OPEN EVENING FOR TOWN END JUNIOR SCHOOL PARENTS/CARERS. TUESDAY 18th OCTOBER, 3.30-6pm. Please note this is an open evening to discuss informally how your child has settled, and not a pupil progress meeting to sit down and talk more formally with your child's class teacher. These meetings will take place later in the school year. To avoid too many people being in classrooms at any one time, please book a time slot below. Appointments can be made for up to five children's parents at a time so you can have a chat and a look around. If your child's class teacher wants a longer/more formal meeting after this, they will be able to arrange it with you then. You are welcome to bring your child with you, but we would appreciate it if other arrangements can be made for younger siblings who may be running around (if at all possible). We ask that you arrive on time for your allotted time slot, and leave your child's classroom at the end of your allocated time to avoid overcrowding. You are very welcome to wander around school; refreshments will be available, along with other stalls in the hall.

[Click here to book a slot.](#)

END OF THE SCHOOL DAY ARRANGEMENTS: Please click on the link below to let us know how your child usually gets home from school. If there are any changes to these arrangements you must let us know by either phoning school or sending a message via School Comms as soon as possible and preferably before 2pm, or by writing a note in your child's Home/School Diary and ensuring they know to show this to their class teacher that morning. Unless one of these things are in place, the information on the form you have completed will be adhered to. If your child's class teacher is in any doubt about arrangements for your child they will go to After Care until we can make contact with you. Children not collected at 3.15pm will go to After Care and there will be a charge of £4 per hour. We will ensure that if your child's class teacher is not in school, the

TUCK SHOP: Children may bring 20p per day/ £1 per week to purchase a piece of fruit or healthy snack from the Tuck Shop. Our Tuck Shop is sponsored by The Co-Op and we are very grateful for their support. Bottles of water can also be purchased for 50p.

WINDOW OF EXCELLENCE: I have created a 'Window of Excellence' just outside the hall entrance, to display any photographs sent in of children achieving great things outside school. There is a huge amount of talent in our school – outstanding gymnasts and footballers, children who achieve highly in clubs they attend, and children who stand out in activities they take part in such as reading challenges. Very well done to those children who are currently displayed there!

CLOTHING COLLECTION TUESDAY 22nd NOVEMBER: Whether you just cleaned out your wardrobe, your kids have outgrown their clothes, or you want to raise money for your local school or charity, why not consider getting cash for your clothes? It'll help the environment too, since they won't get thrown in to landfills. Take a look at what we collect below, and have fun packing!

MOBILE PHONES: We do not encourage children to bring mobile phones into school, however we respect that you may want your child to carry a mobile phone if they are walking to/from school. If your child brings a mobile phone or any other personal electronic device to school they must bring it up to the office when they arrive in school. The phone will be held securely until the end of the day when they may collect it just before they leave school. Personal mobile devices must not be used on the school site; if your child needs to contact you before they leave the site they will be able to use the school landline.

WATER BOTTLES: Please make sure your child comes to school every day with a bottle of fresh water. Please make sure your child gets into the habit of bringing their water bottle home after school so it can be refilled. Water bottles should be clearly named so your child can easily identify their bottle. **YOUR CHILD SHOULD ONLY HAVE WATER IN THEIR WATER BOTTLE. BOTTLES ARE ABLE TO BE REFILLED DURING THE SCHOOL DAY.**

UNIFORM: Uniform for both schools can now be ordered through the website under the tab “Tibshelf Schools” or you [can click here to place an order](#)

A lot of high street stores stock burgundy uniform, if that is a preferable option for you. Pre-owned uniform can be purchased or exchanged in the cabin at Tibshelf Infants & Nursery School; there is a large amount of stock there (including larger sizes) in the boxes and hanging on the rail. This can be brought to Town End on request.

We keep a good stock of uniform at Tibshelf Infants, so usually what you have ordered will be at Town End within a couple of days. When you have paid your child’s uniform will be given to them, but please remind us if this has not happened.

PLEASE MAKE SURE ALL UNIFORM IS CLEARLY NAMED AS THERE ARE ABOUT 200 CHILDREN IN SCHOOL CURRENTLY. Please also encourage your child to look after and respect their uniform; we will also do this in school as we know how many items of clothing are mislaid over a school week and end up in the lost property box. You are always welcome to check this; it is located just inside the doors off the small playground outside the wheelchair accessible toilet.

Please make sure your child comes to school every day with a waterproof and weatherproof coat. NO SCARVES PLEASE.

Please ensure your child brings a change of shoes or wellington boots to school in a bag on their outdoor learning day, especially as the weather is likely to change over the next few weeks.

HEADLICE: Please make sure you check your child's head on at least a weekly basis. It is really important that you treat your child's head immediately if you find any sign of headlice. You will be able to get further information Facebook @OnceAWeekTakeAPeek

ONLINE SAFETY: Keeping your children safe online in school, and educating them about how to stay safe online at home is a key focus for us. You can support us by being aware of and engaging with games they are playing and their online activity so that they can talk to you about what they are accessing and sharing online. You can find more information in relation to online safety at

Holidays during term time - You should not normally take your child on holiday during term time. GOV.UK has information on [what the law says about school attendance and absence](#).

Your child's safety, well-being and happiness will always be a top priority for us throughout the year. If there is something worrying your child, please let us know – little things can quickly escalate if they are not dealt with. If you are not able to speak to your child's class teacher at the beginning of the day please feel that you can catch me, Mrs. Alton or Chris or catch me around school if you have any concerns or worries about anything you feel may affect your child's education. It is very important we are kept informed so that we can ensure your child receives the best care and education. Please also remember to let us know if your immediate contact details change, especially mobile phone numbers.

If you ever need to make contact with school after we have closed please be aware that you can send a text via School Gateway App or by email, ZAndrews@townend.derbyshire.sch.uk I will usually pick up messages from both or one of these sources until about 9pm, and of course, if you need me to, I will contact you. Sometimes there may be something worrying or upsetting your child and you might not be able to get to the bottom of it – please do not feel you have to worry all night!

You can log onto our website at www.townend.derbyshire.sch.uk or contact us via email info@townend.derbyshire.sch.uk or ZAndrews@townend.derbyshire.sch.uk, or phone **01773 872306**. If we are not in the office when you phone you will hear a lovely answer phone message from one of our Year 6 pupils – just leave your message and we'll get back to you. Weekly newsletters can also be found on our website.

Have a good week,

Zoë
