

## **Tibshelf Schools Federation**

6<sup>th</sup> December 2022

Following the 6-week consultation period with all stakeholders regarding the proposed federation of Tibshelf Infant & Nursery School and Town End Junior School, governors reviewed all the feedback from all stakeholders. The governing bodies of both schools are delighted to announce that there was a unanimous decision to continue with the federation.

Early in January 2023, both governing bodies will be dissolved, and newly formed federated governing body will be in place. The federated governing body will have the strategic view of both schools.

Yours sincerely,

Karen Waring (TIS Chair of Governors)

Barrie Green (TEJ Chair of Governors)
