

# Newsletter 3

March 6th 2023

Dear Parents/Carers,

## Parents Evening

Thank you to everyone who was able to come into school to see their child's class teacher. It was great to see so many of you and if you weren't able to come in, for whatever reason, you are welcome to make an appointment to visit another time.

## World Book Day

Thank you for making such a great effort with costumes for World Book Day. The children looked fantastic, and the day was enjoyed by everyone. A big thank you to our Friends group who made £91.20 from the sale of books and tea/coffee at the parents evening which all goes back into supporting events or resources for the children 😊

## End of day collection change

After speaking to staff and parents about the changes we have made at collection times and the positive feedback, I can confirm that this will continue.

## Important dates for your diary

- Year 2 SATs tests will take place the week commencing the 15th May
- Year 1 phonics test will be during the week beginning 12th June

Some parents have asked about accessing resources to support their children with the upcoming SATs. The following links will take you to past papers available online:

**YEAR 1 Phonics tests:** <http://www.satspapers.org.uk/Page.aspx?TId=21>

**YEAR 2:** <https://www.sats-papers.co.uk/ks1-sats-papers>

## Mobile Numbers

If you have changed your mobile number/had a new phone over the half term break, please do let us know so that we have the correct details for you if we have to call you in an emergency. Please provide us with at least two numbers so that we can contact someone if we are unable to get hold of you.

## Safeguarding - Healthy Internet Use

As we all know, the internet is a significant part of most children's lives now. As a parent, it can sometimes be a challenge to ensure your child has a healthy relationship with technology. We have been given a link to the Mental Health Foundation who have advice for parents to support them in talking to children about their use of the internet. For more details about these tips and further advice, visit:

<https://www.mentalhealth.org.uk/explore-mental-health/publications/talking-your-children-about-healthy-internet-use>

### Dates for the diary for this term
