Monday 6th March 2023

Dear Parents/Carers,

World Book Day

Thank you for making such a great effort with costumes for World Book Day. The children looked fantastic, and the day was enjoyed by everyone. A big thank you to everyone who donated books and also thank you to our Friends group, Mrs Hodson and the School Council children for organising the book sale. This made £31.60 which all goes back into providing resources for the children 😊

Important dates for your diary

- Year 6 SATs tests will take place from Tuesday 9th May and finish on Friday 12th May
- Year 4 multiplication tables check will take place within the 2-week period between Monday June 5th and Friday 16th June

Some parents have asked about accessing resources to support their children with the upcoming SATs. The following links will take you to past papers available online:

YEAR 6: <https://www.sats-papers.co.uk/ks2-sats-papers>

YEAR 4: <https://www.timestables.co.uk/multiplication-tables-check/>

Important Reminders

- ❖ Please name all your child's possessions to ensure that they can be identified and returned to their owners if they are misplaced. We do have a growing collection of lost property!
- ❖ Children can bring snacks for break, but please can you support us in ensuring that these are healthy, for example fruit, dried fruit, vegetables or a plain cereal bar. We have water fountains the children can use during the day in case they do forget their water bottle.
- ❖ If you have changed your mobile number/had a new phone, please do let us know so that we have the correct details for you if we have to call you in an emergency. Please provide us with at least two numbers so that we can contact someone if we are unable to get hold of you.

Safeguarding - Healthy Internet Use

As we all know, the internet is a significant part of most children's lives now. As a parent, it can sometimes be a challenge to ensure your child has a healthy relationship with technology. We have been given a link to the Mental Health Foundation who have advice for parents to support them in talking to children about their use of the internet. For more details about these tips and further advice, visit: <https://www.mentalhealth.org.uk/explore-mental-health/publications/talking-your-children-about-healthy-internet-use>
