Code of Conduct for Parents and Visitors to our School

Introduction

We are very fortunate to have a supportive and friendly parent body. Our parents recognise that educating children is a process that involves partnership between parents, class teachers and the school community. As a partnership, our parents/carers will understand the importance of a good working relationship to equip children with the necessary skills for adulthood. For these reasons we continue to welcome and encourage parents/carers to participate fully in the life of our school.

Purpose and Scope

The purpose of this policy is to provide a reminder to all parents, carers and visitors to our school about the expected conduct. This is so we can continue to flourish, progress and achieve in an atmosphere of mutual understanding.

This is how we expect our parents, carers and visitors to behave when on our grounds:

- Comply with Safeguarding and Health and Safety systems and expectations
- Ensure they are familiar with the above
- Comply with all requests from staff
- Approach the school to help resolve any issues of concern with regard to theirs or other children.
- Demonstrate that all members of the school community should be treated with respect and therefore set a good example in their own speech and behaviour.

- Seek to clarify a child's version of events of any school incidents with the school's view in order to bring about a peaceful solution to any issue rather than deal with this out of school
- Respectful about our staff, our pupils and other visitors
- Move around our schools safely and with regard for others
- If they see or hear a problem they inform a member of staff as quickly and quietly as possible and they allow us to deal with it
- Dress and conduct themselves appropriately and seek advice where this is unclear

When visitors are on site we expect that they will all follow this code.

A breach of this code may result in stress, worry or other harm to a child or a member of staff or other parents/visitors.

Remember that a warning letter or even a ban from the school site may also be a consequence of a breach of this code.

We thank parents/Carers for their continued support.
