

TIBSHELF INFANT & NURSERY SCHOOL ANTI-BULLYING POLICY - CHILD FRIENDLY VERSION

We Won't Allow Bullying!

Bullying Hurts People

- When someone gets hurt or upset by teasing, hitting, leaving them out, name-calling or any other unkindness,
- When this happens often,
- When someone feels threatened or scared.....

.....then it's bullying

What can you do?

- Treat everyone kindly, as you would like to be treated.
- Keep unkind thoughts to yourself.
- Don't stand by and do nothing – Do something about it.
 - Tell a member of staff or a grown up you know well.
 - Talk to a friend about how you feel.
 - Remind anyone who forgets to stop unkind and hurtful behaviour.
 - Say: ***How would you feel?***

THE SCHOOL PROMISES:

We will listen to you.

We will make sure any bad behaviour is dealt with.

We will work hard to keep you safe.
