Background

The Tibshelf Schools Federation Debt Policy has been adopted to ensure that a consistent and fair approach to debt incurred by parents/carers whose children take school dinners or use wrap around clubs and services. As the Local Education Authority is no longer accountable for the administration of money debt the responsibility now falls on the school to pursue instances of non-payment. As a result the school budget will have to directly fund any outstanding debts that cannot be recovered thereby directly affecting the amount of money that is available to provide education to all pupils.

Provision of School Meals

The School Meals Service is no different to any other business in that meals have to be paid for by someone. Infant Children are entitled to UNIFSM and Free School Meals are available for parents who meet certain criteria including the receipt of state benefits. UNIFSM are free of charge to parents/carers. Free School Meals are free of charge to parents/carers. Anyone who may qualify for Free School Meals should contact the school office for further information. Free School Meals are a statutory right and it is important that all parents/carers who qualify take up their child's entitlement so that they can receive a School meal each day.

Information on the entitlement to free school meals and an application form can be found on the Derbyshire County Council's website:

<https://www.derbyshire.gov.uk/education/schools/your-child-at-school/meals/school-meals/free-school-meals.aspx>

If a child's entitlement to free school meals expires or the parents/ carers personal circumstances change the parent/carer must provide a packed lunch or send payment in advance for a school dinner.

Cost of School Meals

School meals are available to children at a cost of **£3.25 per day** to junior school children or at no cost to those in receipt of Free School Meals entitlement. School meals **must** be paid for in advance. Any revision to the school meal prices will be notified to parents/carers the term prior to the new charge taking effect.

Payment for School Meals

Please send payment via the School Gateway App on a Monday morning. The School must ensure that all dinner money collected is banked in a timely manner in accordance with the School's Financial Regulations which are periodically inspected by audit.

Cost of Wrap Around Care / Clubs

School Wrap Around Care and Clubs are available to children at a cost of **£4 per session / hour to all children**. Payments should be made upon bookings. Parents/Carers can choose to pay via the Government Child Care scheme or other child care vouchers. Parents/Carers must notify the school office of this. Any revision to the prices will be notified to parents/carers the term prior to the change.

Payment of Wrap Around Care / Clubs

Please send payment via the School Gateway App. The School must ensure that all wrap around care / clubs money collected is banked in a timely manner in accordance with the School's Financial Regulations which are periodically inspected by audit.

Management of School Meal Debts

To ensure that the School's budget is not adversely affected by the cost of School meal debt the Governors consider the fairest system to all families is to have a consistent approach.

If a child arrives at school without a packed lunch or payment, or if a child's entitlement to free school dinners has ceased, the School will telephone/text the parent/carer in the first instance to establish if alternative arrangements have been made.

When a child has failed to produce dinner money the school allow a meal to be provided where it is felt that this is a temporary situation. e.g. Lost or forgotten dinner money, temporary hardship etc. however details should be recorded in writing and a record maintained and monitored.

If a child takes a school meal which has not been paid for, a letter/text detailing how much is owed will be sent to the parent/carer requesting payment directly to the school within 7 days. The same process will be used if a cheque is not honoured by the bank. Prompt action will be taken to address any debt issue at an early stage in order to prevent arrears amassing.

Where a child continues to require meals, the School must establish if the child is entitled to free school meals, or if the parent/carer is experiencing hardship which affects their ability to pay. Under these circumstances the parent/carer should be invited to apply for free school meals or speak confidentially to the Executive Head Teacher.

When the debt exceeds £17 for a *child or family* a formal letter must be sent to

the parent/carer informing them to provide their child/children with a packed lunch to prevent further arrears. If the child/children is/are not provided with the requested packed lunch and the parent/carer cannot be contacted, the School will provide a sandwich and a drink only (*Example letter 1*).

If the debt exceeds £34 for a family and/or action proves unsuccessful in securing dinner money arrears, the School should inform the local Safeguarding Team and formally write to the parent/carer, explaining that the School is not obliged to provide a school dinner where advance payment is not forthcoming or where authorisation for free school dinners has not been received (*Example letter 2*).

Management of Wrap Around / Clubs Debts

To ensure that the School's budget is not adversely affected by the cost of wrap around provision or club debt, the Governors consider the fairest system to all families is to pursue a 'Zero Tolerance' approach. Although, this may seem harsh to some parents it is important that the school budget is spent for the benefit of all our pupils and not a small number.

If a child has future bookings but a clear method of payment has not been established, the School will telephone/text the parent/carer in the first instance to establish arrangements.

If formal arrangements have not been made to pay, a letter/text detailing how much is owed will be sent to the parent/carer requesting payment directly to the school within 7 days. The same process will be used if a cheque is not honoured by the bank. Prompt action will be taken to address any debt issue at an early stage in order to prevent arrears amassing.

Where a child continues to be booked into sessions, the School must establish if the parent/carer is experiencing hardship which affects their ability to pay. Under these circumstances the parent/carer should be invited to speak confidentially to the Executive Head Teacher / School Business Manager.

When the debt exceeds £20 for a *child or family, without formal arrangements to pay*, a formal letter must be sent to the parent/carer informing them of the outstanding debt.

If the debt exceeds £40 for a family and/or action proves unsuccessful in securing wraparound care and club arrears, the School will formally write to the parent/carer, explaining that the School is not obliged to provide wrap around care or clubs. (*Example letter 2*).

Monitoring and Recovery of School Debts

At each meeting of the Governing Body/Finance Committee, the Executive Headteacher will provide Governors with details of any money debt and the current position with regard to such debt. The aim of the School's Debt Policy is to minimise the opportunity for debt balances to build up and incurring costly referral to the School's solicitors. The School does however, reserve the right to begin legal proceedings to recover outstanding school meal debts and inform the local authority that a child is not being provided with a suitable meal at lunch time.

All Write-offs of outstanding debt must be approved by the Governing Body/Finance Committee following submission of details of the debt by the Head Teacher together with reasons for no further action being taken.

Since the School has to fund all school debts from its budget it is essential that all payments are up to date so that the quality of the service provided to all pupils is maintained.

Unfortunately, if the debt is not cleared by xxxxx a **school meal/ school care** will no longer be provided to your child and you must make your own arrangements.

The School reserves the right to begin legal proceedings to recover the outstanding debt and **(to inform the local authority that your child is not being provided with a suitable meal at lunch time)**

If you have any queries regarding these arrears, please contact the school office immediately so that this matter can be resolved.

Yours sincerely
